 - Five visits to A47, one visit to the A6003 Great Easton and eight visits to B6047 at along the bike route.
- Identifying and targeting the individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach.

PC Amy Stokes took the Police Crime Commissioner out on patrol recently. He posted this on his Facebook page.

The #PCC's Community day continues with a visit to Wellington Place out on patrol with the local beat officer to be shown the local hotspots for ASB & to understand what is being done to reduce the problems. ✓ Overall crime levels across #MarketHarborough are down, with significant reductions in Violence against the person, Theft and Public disorder Offences.
